TRUE NATURE - CATALOG

TrueNatureAttire.com

A woman is walking on a sandy beach at sunset. She is wearing a bright yellow dress and a long, flowing orange shawl with fringed edges. Her legs are visible, and she is wearing a silver anklet on her right leg. The ocean waves are breaking on the shore, and the sky is a mix of orange and blue. In the background, a person is swimming in the water.

Our Why:

True Nature Attire was born from a deep need to feel absolute comfort & bliss in my clothing, as if naked... but not. When I realized we can support women and families in two places that are dear to my heart, we created True Nature Attire. Our team of weavers, dyers, and tailors is made up of Balinese and Guatemalan women. Our fabrics are natural and sustainable. Each piece is designed and brought into the world with a lot of love and intention poured in, every step along the way.

We are calling in the most aligned allies who share this vision of helping to bring transformation & consciousness into the clothing industry.

Our minimum order for wholesale pricing is \$2,222.
